**Saturday morning mobile number - 07770 685392**  
**FOR GENUINE EMERGENCIES ONLY**  
**not to report absences.**

Please ensure your child learns their route number as soon as possible as this will help the return journey in the event of a query.

It is provided in line with County Council 'Home to School' transport. **It is not supervised and parents / carers assume responsibility for delivering and collecting their child to and from the coach.**

From time to time the service may need to review transport routes during the academic year. If there are changes which will affect you, LSMS will let you know in good time.

**COACH TRANSPORT SAFETY. Students are expected to behave in a responsible manner on all transport provided by the authority. This includes remaining seated quietly throughout the journey and using seatbelts where provided.**

### **COACHES DEPART FROM WIGSTON COLLEGE AT 1.00 PM**
