

# Laila

Originating from the Baga people of Guinea, Laila is a light hearted song about a Baga woman called Laila who loves dancing all day, even when she is in her car!

"Does she do the dance? Doesn't she do the dance yes?"

Does she do the dance? Doesn't she do the dance yes?"

Does she do the dance? Yes Laila, that Baga Woman of Guinea dances all day, even when driving her car!"
