

MILLION DREAMS SOP/ALTO: VERSE 1

I close my eyes and I can see
A world that's waiting up for me that I call my own Through the dark, through
the door
Through where no one's been before
But it feels like home

ALL: PRE CHORUS 1

**They can say, they can say it all sounds crazy They can say, they can
say I've lost my mind
I don't care, I don't care, if they call me crazy We can live in a world that
we design**

ALL: CHORUS

'Cause every night, I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make

SOP/ALTO: VERSE 2

There's a house we can build
Every room inside is filled with things from far away

ALL: Special things I compile
Each one there to make you smile on a rainy **day**

PRE CHORUS 2

**They can say, they can say it all sounds crazy They can say, they can
say I've lost my mind I don't care, I don't care if they call me crazy
Run away to a world that we design**

ALL: CHORUS ALL: BRIDGE

However big, however small
Let me be **part of it** all
Share your dreams with me
We may be right, we may be wrong
But I wanna **bring you** along to the world I see **To the world we close our
eyes to see Close our eyes to see**

ALL: CHORUS

A million dreams for the world we're gonna make....

For the world we're gonna make.
