Soundscaping

Soundscaping is creating a picture or image through sound.

Firstly, have a look at these pictures and write next to the picture some sound words that you might hear if you were in these environments. Think of all the adjective / descriptive words.

Example: Football Stadium

Cheering   Boom of the ball being kicked by the goalie

Crowd Chants / Songs   Bass Drum booming

Buzz of the lights   Clapping / hand whackers
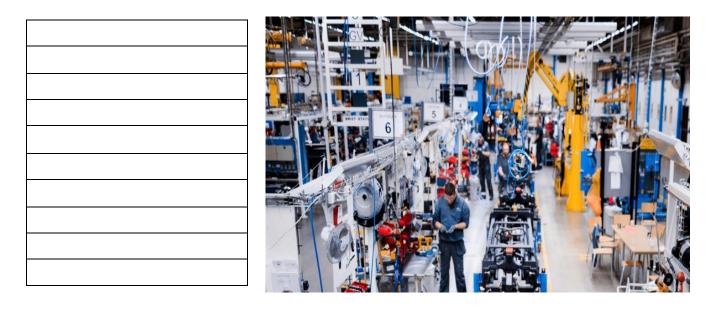

Shouting players   Sirens

Woosh / whistle of the wind blowing

Referee whistle   Cheering / Mexican wave

Tannoy announcements

Loud music when a goal is scored

Copy and paste one of the links below. Listen to one or more of the following tracks (ignore any titles), then draw a picture to go with it. A picture that represents the sounds and images that appear in your mind when listening to it.
