

Composers - Who wrote the music?

This week we are going to research the people who create the amazing music we hear.

Looking at the headings given, write three facts about a composer of your choice.

Think about ...

What instrument they played

What style of music did they write?

Who were they writing for? Instruments / audience / film or TV/ popular culture / dance

How old were they when they were composing music?

What kind of background did they come from?
